PRESIDENTS PRESSINGS

Hi Everyone,

It is good to be back home after 5 weeks of living out of a suit case. Our holiday was fantastic for both Trish and I. Our Peugeot 208 diesel leased through Michelle Slater at Euro Group in Burswood was an amazing and very economical car. We drove 4661kms in 29 days. A very long distance in Europe. We enjoyed it very much because of the very courteous and patient drivers, unlike the many shellfish drivers we have on our roads in Western Australia. We did not encounter any road rage, just very tolerant drivers. Gee we can learn much from these drivers.

I hope some of our members joined in the French & Fantastic Automobile Car Club`s combined clubs run last Sunday. (6 PCCWA members did so) We were unable to make it having to come up for our club meeting this week. I hope our clubs can get together throughout the year on events such as this one. Our club has planned a similar day to be held on Sunday August the 19th.

Our next coming social event is the Bastille Day Celebration dinner to be held on Saturday July 14th. I have been enquiring at several restaurants that will suit our needs. This will be discussed at the club meeting Tuesday evening. As I am writing these notes before I leave to drive to Perth details of the venue will be decided on and noted in this newsletter by Brian Eyre for me, (*Terrazzo Restaurant in Applecross*) before listing on the web site. I hope many members can attend the dinner.

I have not finalized the route for the Combined Clubs Drive Day to the West Australian Motor Museum at Whiteman Park in August as yet, however I can advise you that we will meet in the car park at Deep Water Point on the Esplanade Mount Pleasant.

BYO Morning Tea or grab a coffee at the Cafe` near the car park. Departure time will be at 10.15am. So arrive around 9.30 am in time for a chat and morning tea before we depart.

There is a picnic area and a Café near the museum. Some members may like to bring their own lunch. I will notify members about the café BBQ`S etc at our August meeting and in the August newsletter. Entry in to the Museum is \$15.00 Adults, \$10.00 Children, Family Concession rate and a Pensioner Concession Rate may apply too (I will find out more about the concession rates and or the possibility of a club rate).

I hope you have filled in the form attached in the May newsletter regarding your personal and vehicle details. Brian Eyre is updating the list for our club register. It would be appreciated if you could update your details for Brian ASAP, Please.

Some memberships will be due in June in line with our modified club constitution. This was discussed during the June club meeting.

Granville Nicholson will not be able to attend club meetings or social events over the next few months as he is about to undergo a hip replacement in a few weeks` time. While Granville is recovering at home if you have a spare minute to give him a call he would appreciate hearing from you, or maybe you could arrange to call in to visit Granville for a chat and a cuppa. We wish Granville all the best and for a speedy recovery. Granville can be contacted on ph 9387 5164.
